4X SUCTION POWER

The GT Freedom Plus cordless robotic cleaner sets a new benchmark in suction power for the cordless category. With 4x the suction strength of typical cordless cleaners with an enhanced Turbo Mode, it guarantees superior debris removal with true set-and-forget technology. Its intelligent navigation system delivers complete pool coverage, targeting floor, wall and waterline debris with precision. A lightweight frame and intuitive LCD touch screen make operation effortless, while the streamlined build houses a high-capacity 3.2L debris basket, ensuring uncompromised performance for the dedicated pool owner.

*Maximum suction strength measured against entry-level cordless models; actual results may vary.
